## **1. School Context – Pupil**

This section provides information on the composition of the pupil population at the school with respect to the ‘protected characteristics’ outlined in the Equality Act. The Act protects people from discrimination on the basis of ‘protected characteristics’. Every person has several of the protected characteristics, so the Act protects everyone against unfair treatment. The protected characteristics for pupils are disability, gender reassignment, pregnancy and maternity, race (ethnicity), religion and belief, sex (gender) and sexual orientation.
