

## Sports Premium:

The primary PE and sport premium is paid by the Secretary of State for Education to academies and free schools as stated in section 14 of the Education Act 2002. The purpose of the premium is to fund additional and sustainable improvements to the provision of PE and sport to encourage healthy and active lifestyles.

The allocation to Ark Burlington Danes is £16,540. The grant is payable on the basis of the numbers of pupils in Years 1 to 6. Payments are made in November and May. Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

The objective of the Sports Grant is to effectively raise the profile and outcomes for children in physical education, schools sports and physical activity across school.
