NEW ACADEMIC YEAR, NEW START: PRINCIPAL'S WELCOME

A happy new year to you all and a huge Ark BDA welcome to our new Year 7s AND our first ever Reception Class in our new primary phase. It is wonderful to have you joining us.

I am really proud of Ark Burlington Danes: we are a local community school, not selecting pupils in any way other than nearness to the school gate. Yet we hold our own against the best schools in the country, whether they be state or private. We are transforming lives through education: this year we have our first pupil to go to Harvard University in USA, a pupil who achieved her Oxford admission grades, two medics and a massive variety of courses being undertaken by our amazing ex-ArkBDA pupils the length and breadth of the country. It is incredible how far the school has come in such a relatively short length of time. It all begins, of course, with hard work, great teaching and commitment.

Let's watch out for each other this year, support one another to achieve even higher heights so that EVERY pupil obtains the career or university of their choosing.

Have a great 2015-6!

BDA Careers Now on Twitter!

Here at BDA we are proud to be able to offer our students an active and supportive careers provision. As well as being on hand to offer advice and guidance in school, all parents and pupils can now keep up to date with opportunities, speaker talks, university and careers days, information on

volunteering, work related learning, work experience and summer schools plus tips, ideas, inspiration, news and a humorous look at life beyond school on Twitter.

Make sure you don't miss out by following us at @ARKBDACareers
