On Thursday 11th February we had one of our most interesting KS5 Visiting Speaker talks: Major Ed Pretsell (brother of Ms Pretsell, Head of English) gave a talk on trauma medicine.

Major Pretsell gave an in-depth over view of the how the world of trauma medicine works, both at home and abroad, in America, Afghanistan, Kenya amongst other places. We learnt that, surprisingly, London has only one NHS helicopter, to cater for a population of eight million people, and one hundred rapid response units which are made up of cars, motorcycles or bicycles. However, third world countries do not even have ambulances at all.

Dr. Pretsell also works as an army doctor and taught us procedures for dealing with trauma patients at the scene using the medical abbreviation which is made up of ABCD. (Airways, Breathing, Circulation and Decision.) He showed us various pieces of medical equipment which is used at a trauma scenes (especially for the army).

Special mentions to Renalin, Maisie, Rameesa and Mariam (9B) for their superb hosting skills for the ‘Speak Out’ awards evening. They continue to be a credit to the academy.

Mr. Crawford

DOL for Year 9

World Book Day will fall on Thursday the 3rd of March, and in true BDA tradition, you can expect a day filled with exciting projects around the academy.

As ever, our staff will be decked out in fancy dress attire, inspired by famous book characters. There will be prizes ready to be won for students who can guess the characters. Get yourself involved!

LIFE AT THE SHARP END OF THE MEDICAL SPECTRUM:
RIVETING TALK BY TRAUMA MEDIC

(Continued from Pg1)

These included tourniquets which are constricting or compressing devices, specifically bandages, used to control venous and arterial circulation to an extremity for a period of time. He also showed us a gauze or special bandage which can be placed on a catastrophic hemorrhage, which has special chemicals that stop the bleeding etc.

At the end of the talk, Major Pretsell advised those who wanted to become medics in the future that medicine is a very hard and time consuming job, and to be very sure if you want to proceed in the field, before starting out. Zahra Daod who was present at the talk said: "I really enjoyed the talk because Dr. Presell really engaged us plus, I really liked twisting the tourniquet! It was so fun!"

TABLE TENNIS UPDATE:
A TRIUMPHANT WEEK

On the 13th of February the BDA table tennis squad attended the Milton Keynes 2 Stars Competition with an excellent outcome.

Cacherel Mirjah-Mercer was the runner up in the U/16 and U/17 events - he narrowly lost out against England’s 25th Junior with a score of 1-3 in both events. Please note that Cacherel is a Cadet - one band below Juniors - so we can expect a lot to come from his performances once he becomes a Junior next season.

Robel Berhanykun was the other table tennis player representing Greenhouse at the West London Greenhouse Hub, finishing 10th in the tournament which was a very good achievement for Robel because he was playing one Division above his age-group.

On the 15th of February, our BDA squad also participated in the West London Schools Individual championships at Crest Academy winning silver in 3 of 4 events with the following results:

For the U/13 Girls, Monique Gundrum was the runner up losing narrowly to Daniele Kelly - England’s number 12 cadet (please note that Monique has being only playing for 7 months and has made remarkable improvements). Monique is one year younger than Daniele who has being playing since primary school.

For the U/13 Boys, a Silver ranking was won by Bilal Kefi, who lost 1-3 in the Finals. Bilal is another young sportsman that has improved so much in the last 6 months, so his efforts have paid off really well.

For the U/16 Boys, Cacherel Mirjah-Mercer again showed some quality skills, as he became the runner up against Harefield Academy. Coach Medellin said:

“All games were very close and I have no doubt that Cacherel will get his revenge soon.”

Overall, a total of 9 BDA players qualified for the Jack Petchey London Schools individual finals due to take place in June. This has been the year with the most amount of players qualifying for the London Schools individual finals.

 overall, a total of 9 BDA players qualified for the Jack Petchey London Schools individual finals due to take place in June. This has been the year with the most amount of players qualifying for the London Schools individual finals.

To summarise, we have had a very successful 5 day programme which is outlined as follows:

**Monday** was the West London schools individual finals at Crest Academy with the results stated previously.

**Tuesday** saw a practice day at BDA with 25 students attending.

**Wednesday** had the same events as **Tuesday**.

**Thursday** was the West London Greenhouse Hub which saw Cacharel Mirjah-Mercer win, beating BDA’s Israel Awolaja 3-2. Aimey Gerald was promoted to practice with the Greenhouse performance group. Yassmine Al-Amrie was also very good beating some boys that she had failed to beat in previous matches.

**Saturday** saw 3 of the girls that qualified for the English Schools Zone finals in March come down for an intensive four hour practice session.

A big well-done to all involved and for the hard work displayed throughout the competitions.

**ROW, ROW, ROW YOUR BOAT…**

A fortnight ago, we had a fantastic turn out for the House Rowing competition, which saw the Colossians take the top spot in the battle against sheer agility and core strength.

The students were placed in their house teams and raced amongst each other on our state of the art indoor rowing machines.

This was an amazing way to get the students to embrace the benefits of fitness, whilst also having a great time with their peers.

A massive thank you goes out to Ms Child for organising the successful event!

LIBRARY NEWS

It has been a busy week in the library! We are getting ready for next week, which is of course: BOOK WEEK! It is going to be fantastic.

The infamous Potato character competition will be returning and hopefully we can have some more amazing entries like last year. The Potato Parade will be on Friday so don’t miss out! As well as that there will be a competition to turn a shoe box into your favourite literary scene or world. This is sure to be very creative and I for one cannot wait to see the finished projects! On Thursday you will all be in for a treat as its staff fancy dress day, where all your favourite teachers will be coming in dressed as a different literary character. See how many you can guess right without being told!

To top it off there will be a trip to see author Sarah Crossan for some lucky students and on Friday the AMAZING author Melvin Burgess will actually be visiting our very own library to see the year 9’s and 10’s. It’s all very exciting!

There will be many more things going on each day of the week so make sure you come into the library to see what is going on at break and lunchtimes. And don’t forget to keep reading and quizzing throughout the week! Have a lovely weekend!

Book Review

Warrior Number One by Andy Briggs

When Carl completes his favourite game and becomes ‘Warrior Number one’ he thinks he is the best of the best. But when he is woken up in the middle of the night by a mysterious aged warrior named the Sheriff, it becomes clear that completing the game was only the beginning. He follows his guide into the game where he is to face the terrible warrior Greegan. Something he had no problem with playing as his muscle bound avatar, but as his skinny self the idea of it is much more terrifying! Can Carl overcome his fears and truly become Warrior Number One?

This is a fast paced and funny book. The best bit is it is really short too! Carl is totally relatable and as a reader I felt like I completely understood how it felt to go from playing the game online to paying it in real life. The writer uses all the senses to bring you into the game world with Carl. This book is full of action a great choice for anyone who likes short, simple and engaging books!

WORD OF THE WEEK
TRAJECTORY

Noun
1. the path of a projectile or other moving body through space.
2. a chosen or taken course.

Matthew 17: 1-9

4 Peter said to Jesus, “Lord, it is good for us to be here. If you wish, I will put up three shelters—one for you, one for Moses and one for Elijah.”

5 While he was still speaking, a bright cloud covered them, and a voice from the cloud said, “This is my Son, whom I love; with him I am well pleased. Listen to him!”
