

Ark Burlington Danes Primary Academy

Dear Parents and Carers,

What an incredible tribute the assembly on Friday was for Mrs Crispin. It was wonderful to see so many of you there; I'm sure you will agree that the children's words and singing said more than anything we try to say as adults. I know Lisa would have felt proud and delighted to see her school coming together in this special way.

The Lisa Crispin memorial fund is steadily growing and an initial order for books for the new library has been placed. We will be hanging a large photograph of Lisa walking with the children on the wall and placing a commemorative plaque alongside it. We want the Lisa Crispin Library to be a truly special place in our school. A place where children and parents can come to learn, to feel inspired, and to quietly reflect. Once the library is complete we will plan a special opening day in September and invite you all to come and see the legacy Mrs Crispin has created.

As we look towards our last week of a challenging half term it is important to reflect on the successes and journeys our children have been on this year. I hope as many of you as possible can join us for our celebration assembly on Friday 21st to recognize the children's special achievements. We will also be saying farewell to some extremely valued members of staff and I know you will join me in saying thank you for their hard work and commitment to BDPA.

With all best wishes,

Gemma Grierson
Primary Principal
