## **Academic Review meeting for years 7, 8 and 9**

Dear parents / carers,

I am writing to inform you that we will be holding an academic review session for all students in year 7, 8 and 9 in the week beginning 6<sup>th</sup> July 2020.

We think it is really important that all students have an opportunity to come into school before the summer break to discuss their progress and to set clear goals for their learning over the summer.

The purpose of the meeting is as follows:

- A review of the students work that they have been doing at home
- Set targets for next steps in terms of academic achievement
- A check in terms of students well being
- A discussion of what school will be like in September and our expectations
- An explanation of changes to GCSE options (year 9 only)
- Collection of a summer work pack and an explanation of what is expected in terms of summer learning

We are very much looking forward to the students returning to school.

**The timing of the appointment will be sent to you by text in the next few days. If you have not received the text message by Monday 29th June please email [bda.school@burlingtondanes.org](mailto:bda.school@burlingtondanes.org)**

All of the appointments will take place in the school dining room and students should enter the Wood Lane entrance **10 minutes before their appointment.**

Senior leaders will be onsite to ensure that social distancing is maintained. It is essential that students also maintain social distancing during the journey to and from school. Under no circumstances should students meet or arrive in groups. All of the local shops and amenities are out of bounds to students and they should come straight to school and leave to go straight home. I am sure that you understand that the rationale around this is to maintain the safety of all students, staff and parents within the school community.

If your child is unwell with COVID-19 symptoms, self-isolating or shielding please inform the school office by emailing [bda.school@burlingtondanes.org](mailto:bda.school@burlingtondanes.org). We will then make arrangements to do the meeting in a different way.

If you have any further questions or concerns please follow up through your child's tutor.

Yours sincerely,

Peter Haylock  
Executive Principal.
