

ARK BURLINGTON DANES ACADEMY, WOOD LANE, HAMMERSMITH, LONDON, W12 0HR

Admissions Policy relating to admissions to the academy in the academic year 2018/19

GENERAL

1. This document sets out the admission arrangements for Ark Burlington Danes academy (“the academy”). *The academy is a Church of England school. The academy has a secondary school that provides a sixth form for internal and external applicants (priority is given to eligible internal applicants). In September 2015, it opened a two-form-entry primary. Therefore, from 2022 it will become an all-through academy when the first primary pupils finish Year 6.*
2. Enquiries should be made to the Admissions Team at Ark Schools, 65 Kingsway, London, WC2B 6TD (admissions@arkonline.org)
3. The academy has agreed the following published admission numbers (PAN):
 - a) **Nursery**
 - i. If at any time in the future the academy opens a nursery, the number of places available will be published in advance on the academy website. The nursery will adopt the same admissions arrangements as the rest of the academy, with the exception that no appeal will be allowed against the refusal of a place.
 - ii. It is important to note that attendance/enrolment in the nursery will be **distinct and separate** and have no relevance to attendance in the primary or other sections of the academy for which a separate application will have to be made in accordance with the LA’s co-ordinated admissions arrangements. No appeal will be allowed against the refusal of a place in the nursery.
 - iii. Oversubscription – If the nursery is oversubscribed, priority will be given to children with Statements of Special Educational Needs or Education and Health Care Plans where the academy is named. The remaining places will then be offered in accordance with the oversubscription criteria which applies to the academy as a whole (as described below), except that sibling priority will only apply where a sibling already attends the academy nursery or primary school.
 - iv. Waiting list – The nursery will keep a waiting list which will be used to fill casual vacancies occurring as a result of an enrolled child leaving during the academic year or withdrawing from a place that has been offered. The list will be compiled in accordance with the Admissions Code so that children will be ranked in line with the academy’s oversubscription criteria (see below).

b) Primary

- i. The primary school has an agreed PAN of 60 pupils in the Reception year.

After the allocation of Reception places, the academy will admit 'rising fives', i.e. all children with places can be admitted to the Reception year at school in the September following their fourth birthday but before reaching compulsory school age.

In accordance with paragraph 2.16 of the Admissions Code, a parent/carer may request that their child's taking up of a place be deferred until later in the school year but not beyond the point at which they reach compulsory school age, and not beyond the beginning of the final term of the school year for which the offer was made. A parent/carer may request that their child takes up the place part-time until compulsory school age is reached.

Note: In respect of a child born late in an academic year after 1 April, the ordinary expectation is that he or she will join Reception at the latest in the term he or she turns five and then progress to Year 1 in the next academic year. If a parent/carer wants their child to join Reception in the September term after their fifth birthday, that decision is strictly subject to the discretion of the academy. The process for making an out-of-age-group application is described below.

- ii. Where the primary school is oversubscribed, the criteria for admission are as set out below.

c) Secondary

The academy has an agreed PAN of 180 pupils in Year 7.

- i. In September 2022 (when the first primary entrants will have completed Year 6) and in subsequent years, the pupils in the primary school will transfer to the secondary school. This means that the opportunity to gain admission if a child does not already attend the primary school will in reality, be restricted in respect of external applicants (those children not currently attending the primary school) to 120 places in Year 7.

d) Post-16 provision

- i. The PAN for the external Year 12s is ten. Those students already attending the academy and achieving the minimum academic entrance requirements will transfer to the sixth form.
- ii. The minimum academic entrance requirements for admission to the post-16 provision will be published in the academy sixth-form prospectus which will be available on request and also published on the academy website. These requirements will relate to both internal and external applicants.
- iii. Young people may apply on their own.
- iv. Students will be informed in writing whether or not they have been allocated a place.

4. Where fewer applications are received than places available, the academy will offer places to all those who have applied, including from 2022 all those pupils attending the primary school in Year 6.

PROCEDURES WHERE THE ACADEMY IS OVERSUBSCRIBED

Oversubscription criteria

5. Where the academy is named on a pupil's Statement of Special Educational Needs or Education and Health Care Plan, that child will be admitted by the academy. If the number of applications for admission to either the primary school or secondary school is greater than the PAN, applications will be considered against the criteria and order set out below:
 - a) Looked After Children and children who have been previously looked after (pursuant to the Admissions Code)¹.
 - b) Children of staff at the school where there is a demonstrable skill shortage – Children of members of staff will have priority in the oversubscription criteria if the staff member is filling a post for which there is a demonstrable skill shortage. Ark Schools is required to approve the Principal's designation of such posts and confirm the assessment that a member of staff appointed meets the requirements of the shortage. Priority will be limited to one place for each form of entry in any year.
 - c) Children who at the time of the admission have a sibling who attends the academy. For this purpose "sibling" means a whole, half or step-brother or -sister or an adopted child resident at the same address. In respect of applications to the primary school, the fact that an applicant has a sibling attending the nursery school will not be a factor giving rise to priority.
 - d) In respect of the **secondary school only** – Up to 25% of the remaining places will be allocated to children who attend Church of England primary schools in the London Boroughs of Brent, Ealing, Hammersmith & Fulham, Kensington & Chelsea and Westminster (a full list of schools is given in the appendix). Where there are more applications in this category than places, those who live closest to the school using a straight-line distance from the main entrance of the academy to the main entrance of the child's home.
 - e) Children of staff in the school – Where there is **no** demonstrable skill shortage, priority may be given where the academy is oversubscribed to a child of a person who will have been employed in the academy for two or more years at the time the application for admission is made. Priority will be limited to one place for each form of entry in any year.
 - f) Distance measurement – A child's home will be the address at which the child normally resides and which has been notified to the academy and other relevant agencies as being the child's normal place of residence.

¹. "A 'looked after child' is a child who is (a) in the care of a Local Authority, or (b) being provided with accommodation by a Local Authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school." (footnote 16 of the School Admissions Code 2014). A previously looked after child "includes children who were adopted under the Adoption Act 1976 and children who were adopted under the Adoption and Children Act 2002."

The Local Authority measures distance on behalf of Ark Schools, the method they adopt for measurement and also selection between equal applicants and those living in flats will apply.

Tie breaker: If Ark Schools is unable to distinguish between applicants using the published criteria, including those who live in blocks of flats with the same building entrance, places will be offered via a random draw which will be supervised by someone independent of the academy.

Note: In the case of multiple births or brothers and sisters in the same year group, where there is only one place available in the academy, both will be considered together as one application.

Post-16 oversubscription criteria

6. Where the sixth form is oversubscribed, priority will be given to those qualifying applicants following the oversubscription criteria as described above.

OPERATION OF WAITING LISTS

7. Subject to any provisions regarding waiting lists in the LA's co-ordinated admission scheme, the academy will operate a waiting list. Where in any year the academy receives more applications for places than there are places available, a waiting list will operate until the end of the summer term. Thereafter, parents/carers will be written to asking if they wish for their child to remain on the waiting list. This will be maintained by the academy and it will be open to any parent/carer to ask for his or her child's name to be placed on the waiting list following an unsuccessful application.
8. A child's position on the waiting list will be determined solely in accordance with the oversubscription criteria set out above. When places become vacant they will be allocated to children on the waiting list in accordance with the oversubscription criteria.

ARRANGEMENTS FOR APPEAL PANELS

9. Except in relation to an application for admission into the nursery school, where there will be no right of appeal following an unsuccessful application, parents/carers will have the right of appeal to an Independent Appeal Panel ("Appeal Panel") if they are dissatisfied with an admission decision of the academy.
10. The Appeal Panel will be independent of the academy. The arrangements for appeals will be in line with the Appeals Code. The determination of the Appeal Panel will be made in accordance with the Code and will be binding on all parties. The academy will provide written guidance for parents/carers about how the appeals process works and will provide parents/carers with a named contact who can answer any queries parents/carers may have about the process.

APPLICATIONS FOR ADMISSION TO THE ACADEMY OUTSIDE THE NORMAL ADMISSIONS ROUND – IN-YEAR APPLICATIONS

11. In-year applications should be submitted to the academy, unless other arrangements have been made and published on the academy website.
12. Subject to any provisions in the LA's published and agreed protocol on arrangements relating to applications submitted for years other than the normal year of entry, the academy will consider all such applications and if the year group applied for has a place available, admit the child.
13. If more applications are received than there are places available, the oversubscription criteria shall apply.

Appeals against refusal of an in-year application

14. Except in relation to an application for admission into the nursery school, where there will be no right of appeal following an unsuccessful application, parents/carers will have a right of appeal to an Independent Appeal Panel if they are dissatisfied with an admission decision of the academy.

ADMISSION OF CHILDREN OUTSIDE OF THEIR NORMAL AGE GROUP

15. Applications for children to be admitted to a school year outside of their chronological age group should be submitted to the home LA during normal round admissions, or to the academy as described regarding the in-year admissions process. Each application will be considered and decided by the academy on the individual circumstances of each case. Applicants should provide documentation in support of their application regardless of whether they are asking for the student to be admitted in a lower or higher year group. Applicants will be notified in writing of the decision. Unsuccessful applicants will be given the right to appeal.
