

Ark Burlington Danes Primary Curriculum Learning Journey

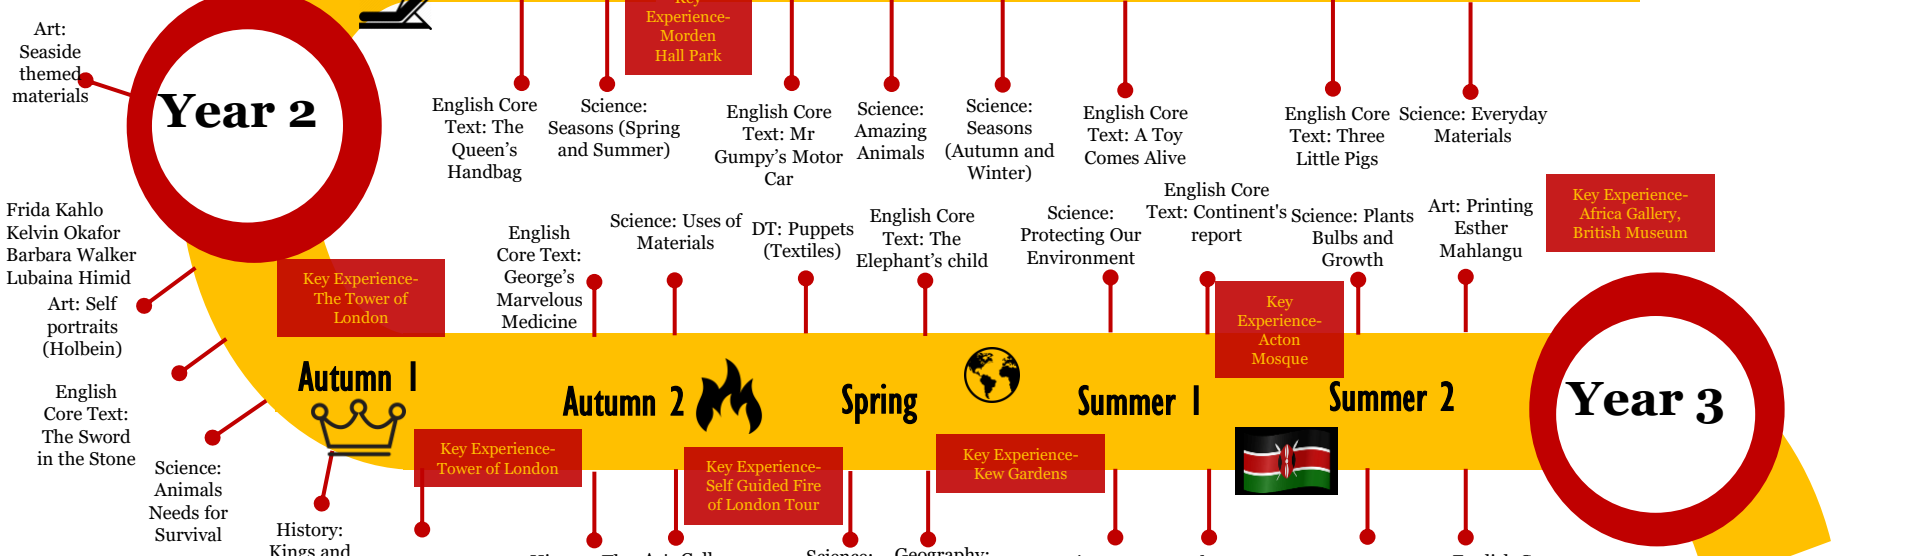

Ark Burlington Dane's mission states that we believe that everyone deserves to be accepted, included and empowered to live a life that is purposeful and fulfilling. Through learning to our fullest potential and living a life filled with kindness and thankfulness, we can be the ones to make the world a better place. This is the fundamental principle that underpins the design, implementation and ongoing review of the Burlington Danes curriculum. It is at the very core of our 'why' and defines us as a school. We have thoughtfully constructed a curriculum framework which focuses not solely on academia but on shaping our pupils into confident, passionate, life-long learners. We want our pupils to continue their journey with a secure foundation of knowledge, skills, ideas and most importantly-a relentless curiosity about the world around them. Thus, when designing this curriculum, we endeavoured to ensure it was broad, complimented by a wide range of experiences and provided pupils with far more than just academic achievement.
