GCSE Results Day and Sixth Form Enrolment

Thursday 2nd July

Dear Year 11,

We hope you and your family are well during these very challenging times.

We are writing to you with the arrangements for the collection of your GCSE and BTEC results as well as arrangements for enrolment in the 6th form at Ark Burlington Danes Academy.

The GCSE and BTEC results this year have of course been very different to what we may have expected. Teachers and senior leaders have worked diligently to record the most accurate grade possible for all of your GCSE and BTEC examinations. As I am sure you can imagine this has not been an easy task.

At this stage we do not know what moderation process will take place at a national level and the impact that this will have on the centre assessed grades that we have submitted.

We also do not have any information on how any appeals process may operate. We should be able to discuss this with you on results day if required.

Results day this year will be on Thursday 20th August.

To ensure social distancing and to make sure that all students have an opportunity to discuss enrolling in the 6th form each student will be provided with an individual appointment. It is essential that you arrive at school at this time rather than before or after.

Your appointment time has been shared via text message.

You will need to enter the school through the **Wood Lane entrance**, results will be available to collect from the **Fink atrium**.

If there is any issue with attending your appointment please contact bda.school@burlingtondanes.org.

We are looking to expand provision in the 6th form this academic year with some additional pathways and subjects. We feel that for the majority of students it would be very sensible to remain at Ark Burlington Danes Academy to provide greater stability in your education. This will also support with the opportunity for retaking GCSEs in October once the plans for this are announced.

We are really looking forward to seeing you on 20th August.

Yours sincerely

The Senior Leadership Team
