Return Dates for Students - September 2020

Friday 10th July

Dear parent / carer,

Further to my correspondence earlier this week, please be advised of an update to the start and finish time for students' return to school in September.

Additionally, please be advised that Friday 17th July is an INSET day for staff, and therefore the last day of on-site and online provision for students will be Thursday 16th July.

Per my previous letter, I will be writing to you with three letters over the next few weeks on the following subjects:

1. Next week I will write to you with details around the school day for September including confirmation of the start and finish times. Due to the nature of the school site and local transport it is necessary to look at staggering the start and finish times for different year groups.
2. During the week beginning August 10th I will write to you with information in relation to the structure of how the school will operate to create the small groups that are required and how we will operate.
3. During the week beginning August 17th I will write to you with details of changes to the school behaviour policy, which we will be required to meet the new guidance for schools.

At this stage, I am able to confirm the start dates for students which are in the table overleaf.

I look forward to writing to you with further detail in the coming weeks.

Yours sincerely,

Paul Bhatia
Principal
